

Wedding rings engraved

Not all young couples decide to engraved rings. Part of the par forget, part of the engraving resigns following the advice of the jeweler (engraver after years can be wiped), part resigns because of the costs.

Despite this, however, that raises the cost of engraving jewelry, and indeed, after years of wearing wedding rings, the word may no longer be perfectly clear, you might consider putting on ring which further highlight the uniqueness of marriage and love, young couples. Those who decide to put the string on the inside of the rings are often looking for interesting inspiration. Therefore, we prepared for you a few ideas. Of course, you can put on ring wedding date and names of your youth., It is worth considering to ensure that the inscription was an exceptional year, and preferably even to refer to the specific characteristics of their love. On ring fit about 24 characters. This also depends on the selected font, but when we do try to put more power subtitles, because no longer legible. Quite popular are the operative part of Latin. Amor vincit omnia (love conquer all), female: Ubi tu .. Men's: ... Ibi ego ("Where are you, as I"), ama, si vis amari ("Honey, if you want to be loved") itur sic ad astra ("This is going to the stars"). The good is the operative part of the inspiration and the Latin Bible. Another idea is to refer to important moments and memories in the history of "being together" your young people. While on ring is enough space for a long and complicated words, but sometimes fails to construct appropriate for spouses and significant text. (eg, Nicks Internet for couples who met through the internet). For fans of music, inspiration can be favorite songs. "And nothing else matters", "I will always love you", "All you need is love." Is a lot of ideas and values to take into account your favorite songs. Can be a fun lyrics, a need for me (and spouse's name) ", " Be polite / A ", " I love you more ".
