

CD with pictures - a memorial for Guests

Arranging for the wedding almost always rent a professional photographer or video operator. It is an additional benefit from the opportunities offered by our latest technologies and to prepare after the wedding it is a special memorial plate for our wedding guests.

As a rule, images and videos that provide a remembrance of our wedding after receiving only a Young Couple. And wedding guests also would like to have a souvenir of our wedding. Especially if you had. Making them added pleasure and endowment are not specially prepared plate is a large expense, and is an extremely nice gesture. Prepare the disc on the basis of the selected pictures and videos from the event. The cost of preparing such a film is not large and can be arranged with the camera operator for the implementation of such allowance even during price negotiations services. Photos can be affixed to the music, prepare the package CD, and then send the mail, or give visitors over the next few days, after the end of weddings. In the selection of photos to remember this, that each visitor appeared at least once in the picture, so that the well-known photographer for the preparation of the CD in advance and can make relevant movies or photographs.
