

Double beauty

Pregnant getting beauty - perhaps because more and more stars of praise on his paunchy pictures. Many men even claimed that women in this period are pulling for them more.

Traditionally, the maid was pregnant. Today we can proudly share your happiness. A child in the road and married to a double cause for joy. Finding a suitable trousseau for the creation, even in advanced pregnancy is not a problem today. Designers offer a wide selection of dresses from the raised deck. Run-off from the bust beautifully soft fabric display a rounded tummy. A deeply cut emphasize the bust. Pending, the child bride spreads itself around the delicate aura of heat. Dresses, accessories, hair and make-up must be in consonance with its emotional state. Hair in bun, Loki, or run-off soft waves will be more subtle make-up the best choice for a future mother. Flower works better than the veil or hat with a large roundabout. However, you can afford to unusual colors. Juicy fuchsia - hits one of the present season would be a good choice for brunets and blondes. Jewelry should not be aggressive but may appear as a dominant element.
